## Section to be completed BEFORE THE MOBILITY

### I. PROPOSED MOBILITY PROGRAMME

Language of training: ENGLISH

#### **Overall objectives of the mobility: JOB SHADOWING**

Training for learning new methodologies and techniques from other European schools

#### **Added value of the mobility (in the context of the modernisation and internationalisation strategies of the institutions involved):**

The two teachers will acquire a new perspective and a new approach to teaching Mathematics

They will learn new techniques and strategies to involve students and make them learn in a cooperative way by using English as a tool to transmit content.

These new competences will be transferred in the context of the school Marconi, which has been trying to enlarge the teaching approach in an international way for many years.

This will represent an added value for the school Marconi

#### **Activities to be carried out (including the virtual component, if applicable):**

- Participation in the lessons together with the colleagues;
- Learning of new strategies, activities and forms of evaluation
- Group works and pair works
- Cultural visits

#### **Expected outcomes and impact (e.g. on the professional development of the staff member and on both institutions):**

- development of new and improved teaching methods and innovative approaches to learning;
- qualitative and quantitative improvement of the use of The English Language in teaching Maths;
- development of the European dimension of the school institutions;
- each participant should be prepared to disseminate the competences acquired with the procedures stated in the project.

## II. COMMITMENT OF THE THREE PARTIES

By signing<sup>7</sup> this document, the staff member, the sending institution and the receiving institution/enterprise confirm that they approve the proposed mobility agreement.

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the staff member.

The staff member will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

The staff member and the beneficiary institution commit to the requirements set out in the grant agreement signed between them.

The staff member and the receiving institution/enterprise will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.
